

Dear Karns Band Students and Parents,

Welcome to the Karns High School Band Family and congratulations on your decision to be a part of the longstanding tradition of excellence that is the Karns Band. There are a few organizations of any kind so rich in tradition and success that also include so many real-world experiences for students and parents alike. The 2021-2022 school year gives us all the opportunity to carry on this outstanding tradition of excellence. The Karns Band provides musical activities that encompass a wide scope and allows everyone a chance to reach the highest possible level of success.

While the musical activities are the core of our program, the total band experience provides the student far more opportunities. During the year, the student will be able to build leadership skills, learn and apply planning, financial budgeting, and team building skills; and spend time with other students and adults who have direction and goals as an integral part of their lives.

The fall season emphasizes the excellence of our Marching Band. Our performances include a schedule of football games, regional marching competitions, as well as area parades.

The Karns Band program features an outstanding concert program that has developed a reputation for musical excellence through concert and festival performances. The Symphonic Band and Concert Band will present several public concerts.

The success of our Winter Guard and Indoor Percussion ensembles has offered more performance opportunities for our students and has enhanced the entire band program. Programs such as these involve select groups of students who will perform locally and travel to regional and national competitions during the winter months.

The centerpiece of the Karns Band program is striving for excellence through dedication, learning, experience, and a team effort from students, parents, and staff. The substantial recognition that the Karns Band receives is largely a result of the successes of the past at reaching for and obtaining excellence. The coming year offers an exciting opportunity to build on that legacy. It is also important to note that a major side benefit to the total band experience is the fun and lasting relationships and memories that are developed by both students and parents.

Hard-working students, dedicated staff, involved and active parents, and a supportive administration and community all combine to make it possible for the Karns Band Program to offer an outstanding array of musical opportunities. Our students are expected to set and reach high goals for themselves and their program, and the rewards of meeting those expectations are immeasurable. Members of the Karns High School Band develop musically, emotionally, mentally, and socially. The program is proud to have the highest GPA of any student group at KHS.

This handbook is intended for use by students, parents, administrators, staff, and directors as a convenient source of information regarding various aspects of the Karns Band. We have tried to cover as thoroughly as possible every facet of the program. Students and parents should read this handbook carefully. Band members will be expected to understand and abide by all rules and regulations set forth in this book.

Sincerely,

Charms Directions

How to access parent/student information in Charms

- Log on to www.charmsoffice.com, and click “ENTER / LOG IN” in the upper right corner.
- Locate the “PARENT/STUDENT/MEMBERS LOGIN” section of the web page.
- Login to your student’s program account using the following School Code: KarnsHSBAnd
- This will bring up the main “Public” page. This will allow you to look at the “public” calendar for your organization, event list, and handouts and other “publicly shared” files, as well as a few other options.
- The first time you go here, enter your child’s ID NUMBER (provided by your Director) into the **Student Area Password** field. Your child’s ID Number will be their first name and their last name. You will be directed to the Change Password screen, to set a personal password different from the ID, for future use. You may also be directed to create both a unique Username and Password for the student. There are also mechanisms to recover/reset a lost Username/Password – when you create your new password, create a “hint” as well.
- Whenever you enter using this Username/password, another more detailed screen appears, with various button options for you to access areas in the Charms account. What appears here is partially up to the Account Administrator or Head Director.
- Two areas in which you can help the director/administrator maintain his/her records:
 - **Update Personal Information** – if the director has allowed it, you may help make changes to your and your child’s student information page (such as updating phone numbers / cell carriers and email addresses if they change) to help them communicate with you more effectively. You may also be able to indicate which parent volunteer/resource groups you would like to participate in, if this feature is activated. Click **Update Info** to save changes.
 - **If your program has set up online credit card payments, you can make credit card payments for fees, trips and deposits to your student’s account.** Click **Finances** -- if credit card payment is activated, you will see blue buttons in the four main areas of the financial statement indicating your ability to make online payments. There is a 3% charge for all Charms Payments.
 - The **Calendar** may list events, rehearsals, and volunteer/RSVP opportunities.
 - Most importantly, the parent page assists both you and the teacher to communicate with each other. Stay up to date on what’s going on with your student!
 - You can also download the Charms App to your smartphone – search your App Store for “Charms Parent/Student Portal” (or “Charms Blue”). It’s the way to stay in touch on the go!

If you need help with Charms, please email Mr. Foster (cody.foster@knoxschools.org)

The Band Curriculum: A YEAR-LONG Course of Study

The successful development of our student musicians is a YEAR-LONG process. Performance opportunities offered during the academic year are designed to enrich students' overall academic experience, build life-skills, and to reach their full potential as a student musician. Due to the sequential nature of the band curriculum, it is very important for student musicians to remain in the program for the ENTIRE YEAR. Exceptions will be made ONLY when there is a time conflict between the proper band class and courses necessary for graduation (with proper written notification from a guidance counselor or an administrator). Any student who does not satisfy these requirements will not be allowed to rejoin the band program without director's approval. Any student who drops out of any of these organizations during the semester will not be allowed to rejoin at any time and must drop that specific class immediately or as soon as the administration deems possible.

The director and principal must approve any exceptions to the requirements above.

Requirements for New Membership

New members of the Karns High School Band must meet the following requirements before beginning their first semester in the high school band program:

Mandatory Fall Registration gives parents and students the ability to pay fees, correct contact information, receive marching show music, check out school instruments, etc. Every member and a parent of the Karns Band must attend one day of the mandatory fall registration.

Grading Procedures

Band is a unique course at Karns High School. It has curricular requirements, just as any other academic discipline, but it also has out-of-class time requirements. The strength of our band program is the consolidation of these requirements into one performance based, academic course of study. The level of commitment from each individual student is the driving force behind the organization and is reflected in the level of achievement reached by the individual and the program.

Marching Band Rehearsals

The rehearsal schedule is normally set well in advance, allowing students to plan other activities and obligations around the established schedule. For Fall 2021, the marching band will rehearse on **Tuesdays from 4:00 - 7:00 and Thursdays from 4:00 - 7:00 or 6:00 - 9:00.**

Punctuality is a trait that will serve you well in any endeavor. Plan to arrive well in advance of the beginning of rehearsal (at least 15 minutes) – do not try to sneak in at the last second. It is essential that we make efficient use of the rehearsal time we have. This can only happen when every band member is present and working to improve. The band member that misses rehearsals cannot improve, and the other band members around them have a less effective rehearsal due to the absence. We all depend on each other to carry our fair share of the load in order for us to achieve the level of proficiency for which the Karns Band has become noted.

Rehearsals are **never cancelled** due to inclement weather. Students should dress for the weather. Not having the proper attire is not a satisfactory reason for having a poor rehearsal. Students should wear tennis shoes for rehearsals. Boots and sandals are not permitted. This is important in that the style of marching step we use requires the foot and ankle be permitted to move freely. Hats, sunglasses, and sunblock are recommended.

Directors should be notified **IN ADVANCE** if a student is going to be absent from a rehearsal or performance. Absences from band rehearsals or performances are unexcused unless due to (a) personal illness, (b) death in the family, (c) an emergency, or (d) special permission of the director obtained in advance by the parent or guardian. Students must exhibit consistent responsibility in these areas. Excessive absences **for any reason** may result in the student being removed from the performing group.

Non-emergency dental and/or orthodontist appointments should be made at times that do not conflict with rehearsals.

Rehearsal Attendance

Band is a learning activity. Rehearsals, whether during or after school, are the means by which students learn, and by their very nature cannot be reproduced or made-up. Therefore it is imperative that students be present unless the absence is absolutely unavoidable. Excessive rehearsal absences will undoubtedly affect a student's performance. Although we frequently function as conductors, we are primarily teachers responsible for the musical and aesthetic education of each student in the band program. This is the reason we are absolutely insistent upon each student's daily participation. Rehearsals are not optional, and are heavily weighted in the student's final grade.

Performance Attendance

Performances are viewed as major tests. A performance is a learning experience that cannot be duplicated in a rehearsal hall or practice room. The level of concentration required in a public performance assists each student in developing an insight into his or her own level of performance. A performance is also an important evaluative tool, allowing comparison of a student's performance in relation to classroom objectives presented and with past performances. Absences from performances are only excused in the event of an extreme emergency: serious illness or hospitalization of the student, death in the family, religious holiday, or other reasons deemed excusable by the director. The band director must approve all absences from performances or rehearsals **IN ADVANCE**. Unexcused absences may result in the student being removed from the performing group. Absences from a class must follow the policies and procedures set forth by Karns High School and Knox County Schools.

Make-Up Work

When a student is absent from class or rehearsal with an excused absence, they must turn in a signed form from their parent/guardian.

Grading Rubric

The grading rubric for band class has been designed to evaluate each student's performance, quality of participation, daily attendance, and preparedness for rehearsals and performances. Each student is expected to be on time and to bring the proper equipment (pencil, music, instrument, coordinate sheets, etc.) to every rehearsal and performance. Grades will be determined by the evaluation of both individual performance and quality of participation in the program.

Grade Deductions

- Any tardies from class, rehearsal, or performance will result in points deducted from daily attendance grade.
- Any absence from rehearsal and/or sectional will result in 10% deducted from Daily Attendance grade.
- Unexcused absence from a performance: Each missed performance will result in a one-letter grade deduction.

Attitude

Those students who have a positive mental attitude, regardless of their individual skills, will always have a place in the Karns Band. Regardless of your ability, if your attitude is not positive and you are not doing your personal best to make the group successful, you should not be a part of this organization. In fact, students who do not project an attitude that is positive and cooperative will be given the opportunity to change their personal perspective or else leave the organization. Those who have pride in themselves will generally project a positive mental attitude.

Characteristics of a positive mental attitude include a generally cheerful outlook toward rehearsals and performances, cooperation in the preparation and maintenance of equipment and facilities, and an eagerness to do what is necessary to be successful. In short, the total band member is someone who is always willing to give his or her best for the good of the organization.

Cooperative Fees and Fundraising Opportunities

There is a tremendous cost associated with the operation and maintenance of a total band program. With little or no financial support coming from Knox County Schools, the responsibility for meeting the financial needs of our band program rests on the shoulders of the band members and band boosters. These funds are an absolute necessity in order to have a meaningful and successful program.

The directors develop a budget each year to cover expenses such as instructional staff, travel, music, visual design, instrument and equipment needs, maintenance/repairs, etc. This budget is carefully amended to be as efficient as possible while still meeting the needs of a thriving and successful band program. Priorities are set based on the needs of the students first. The final budget is then divided by the projected number of students participating in the activity. The individual student's financial responsibility is referred to as the cooperative fee. All cooperative fees are based on one per family (to help families with more than one child in the band program).

In an effort to reduce the out-of-pocket expense of cooperative fees, students and their families are asked to support the band through various fundraising activities. The band boosters will sponsor several fundraisers during the year. Families that take advantage of these opportunities will have no further out-of-pocket expenses. Fundraising is not mandatory, however, those who do not wish to take part in the fundraising activities will be asked to make a donation representing their fair share.

Families with financial hardship will not be turned away from the Karns Band program. Financial waiver forms are available in the school office for those who qualify. Alternate payment schedules can also be worked out with advanced notice.

A small user fee is assessed to any student who uses a school-owned instrument. This fee is used to help cover the expense of maintaining each instrument. **Percussionists are to provide all of their own sticks and mallets.** Students who use a school-owned instrument must submit a completed rental contract with payment upon instrument check-out. Percussionists are responsible for this fee as well.

- It should be understood students will be assessed all costs associated with the abuse and neglect of instruments/equipment left in their care. This includes replacement of the instrument/equipment due to loss or theft.

User Fee (Fall Semester): \$75
User Fee (Spring Semester): \$75

Band Uniform Guidelines

Summer Uniforms:

The first part of the school year is always very warm. Wearing the full uniform would be quite uncomfortable and even dangerous in certain conditions. In order for students to be more comfortable, a summer uniform has been designed. This uniform consists of a blue band polo with the band logo on it. Also, each student is required to have a pair of khaki shorts. This will serve as the dress for at least the first two ball games. The shirt will also be required as part of dress at away trips.

- Blue Band Polo: Each member is required to have at least one blue band polo. They will be available for \$27 each. **Please indicate the student's shirt size on the permission form.** No money will be collected until shirts have been delivered (check or money order made out to Karns High School Band). Additional shirts will be available for purchase by family members to show your affiliation with and support of the band at ballgames and competitions.

Guard Uniforms

The guard uniform will be determined by the directors in consultation with the visual design coordinator and color guard instructors. Color guard members will purchase their own special type of shoes, warm-up suit, flag bags, and carry-on bag. Prices are TBA. These will be ordered at band camp.

- The Directors will make all final decisions regarding style, color, and fabric of uniforms. Students' suggestions are welcome and will be considered.
- Uniforms for Indoor Percussion and Winter Guard will be determined by instructional staff and directors. Members will be responsible for all costs associated with the uniforms.

Traditional Uniforms:

1. Black "Drill Master" Band Shoes: shoes will be ordered at band camp, Lunsford's Music or Rush's Music. Cost is approximately \$35.
2. Black Dress Socks
3. Black Gloves. Purchase in band office for \$5/pair. Each band member except percussion and color guard is required to have at least one pair of gloves. Woodwinds with open keys will have to cut the ends from the fingers. See Mr. Crawford or Mr. Foster for these.
4. Plain Black T-shirt for wearing under your uniform. No sleeveless shirts.
5. Each student will be issued a band coat and pants for the best possible fit from the current inventory. Uniforms will be issued at the beginning of the fall semester.
6. No alterations are allowed to the uniform without the director's permission. Material should NEVER be removed from the uniform.
7. Each student is responsible for keeping up with all parts of the uniform.
8. Take pride in your appearance! Uniforms that are wrinkled and/or soiled are a disgrace to our program, our school, and the community we represent. Uniform will have to be properly and neatly hung after each use and dry cleaned when needed.
9. Do not leave the uniform in cubbies/lockers unless instructed to do so.
10. Do not leave uniform in an unlocked vehicle unattended. This could be a very expensive mistake!
11. Replacement Cost: Coat - \$350, Bibbers - \$125
12. No one is allowed in the uniform room without permission from a uniform officer or the directors.
13. Abuse or neglect of the uniform may result in costly repairs of replacement as well as removal from the performing group.
14. Any costs associated with the damage or loss of any uniform part are the responsibility of the student and parents.
15. Section leaders will check with each person in their section to make sure each has his or her instrument and all parts of their uniform.
16. Remain in full uniform at all times at performances, unless otherwise directed.
17. No T-shirts, hats, or any type of clothing with alcoholic beverages, drugs or other vice advertising are to be worn during any band activity.

Rules for Classroom/Rehearsal/Performance/Trips

Karns High School Band operates under the rules and regulations set forth by Knox County Schools and Karns High School. These rules can be found in the student handbook issued to each student at the beginning of the school year. In addition, certain classroom and rehearsal rules are necessary to maintain a safe and productive work environment. Each student is expected to comply with all rules set forth as terms of participation in the band. Any student who fails to abide by the rules will be disciplined accordingly. Flagrant disregard for rules will result in point deductions, extra work assignments, detentions, and/or other punishments. All punishments will be in accordance with established rules of Knox County Schools and Karns High School.

Classroom Procedures

- Students should treat other students, staff, and directors with respect at all times.
- There should be silence when the director gets on the podium.
- Bring a pencil to every rehearsal.
- Warm-up is a very important part of each rehearsal. This is when we focus on the fundamentals of our playing so that we may improve both as a group and as individuals.
- Brass players should have all necessary mutes. Trumpet and trombone players should have straight and cup mutes.
- Reed players should have at least one spare reed at their seat during rehearsal. Ideally, you should have four to five reeds that all play that you rotate using from day to day.
- Percussionists should each have a stick/mallet bag with a collection of:
 - Snare sticks
 - Acrylic Mallets
 - Hard Rubber Mallets
 - Soft Rubber Mallets
 - Cord Mallets
 - Yarn Mallets
 - Timpani Mallets
- Percussionists during marching season need to make sure they have all of the required equipment needed to perform the assigned instrument.
- Cases should be left in the instrument storage rooms.
- At the end of rehearsals, put all of your equipment away. Music that is not being taken home should be placed in the proper place with your instrument.
- Percussion equipment is to be put away at the conclusion of rehearsals. Timpani and mallet instruments should be covered. Small equipment should be returned to the percussion storage room.
- Problems of an individual nature (missing music, problems with instrument, etc.) should be taken care of outside of class time, not during.
- Talking during rehearsals must be kept to a minimum. Talking should always be about music we are studying and should never be a distraction to the conductor or other students.
- Do not leave money, purses, wallets, or other valuable unattended during rehearsals or during the school day. We are not responsible for valuables left in unsecured areas.

Instrument Care

- School-owned instruments become the responsibility of the student to whom they are issued. A small user fee is assessed to any student who uses a school-owned instrument (\$75 per semester). See Mr. Foster for a School-Owned Instrument Rental Form. This form should be completed and returned with the user fee on the first day of classes each semester. **Any damage will be repaired at the student's expense.** Individuals instruments must always be maintained in top playing condition. Always show the director's your instrument before taking it in for repairs. Remember that horseplay can cause damage to instruments and equipment. Be careful with your own instrument and place it out of harm's way if it is necessary for you to put it down.

General Rules

1. Be courteous and respectful at all times.
2. Couples - this is a band function, not a date.
3. Uniforms will be properly and neatly hung after each performance.
4. Make sure your name is on all equipment (shoes, instrument case, uniform bag, etc.).
5. Instruments and equipment should be stored in the proper room or taken home.
6. All band members are to remain until the band is dismissed.
7. Leave your valuables at home.
8. Flip-folders and music should be taken to all football games.
9. Always do what chaperones ask.
10. Keep your language clean.
11. Always cheer for the football team and other bands.
12. The purchase, use, or possession of narcotics or alcohol in any form is strictly prohibited. The use of alcohol as a medication is not acceptable. If the student is taking a prescription drug, the directors must be notified in advance.
13. Always conduct yourselves as ladies and gentlemen.

Game Day Rules

1. Do not wear hats in the stands or with your uniform, except the regular marching band hat. If it is cold, stocking caps, earmuffs, or something for warmth is permissible.
2. There is to be no random playing in the stands.
3. The band will remain standing during the game.
4. No screaming. Yell for the team - not at each other.

2. Keep noise to a minimum. No screaming, radios, speakers, etc.
3. Do not play your instrument on the bus.

8. At away games and competitions, you must return with the band, unless your parents pick you up in person. Parents must provide a signed permission note for the directors in advance.
9. Get your equipment off the truck when we return to the school.

Competitions and Festivals

Competitions, festivals, and other adjudicated activities are important features of the Karns Band program. It is through these activities that we obtain valuable feedback about our progress as individuals and as a program. Although our season is not defined by any one judge's opinion of our performance, it is important that we learn the value of giving maximum effort and standing by the results as our best possible effort that day.

Competitive performances are packed with emotion. Because of the amount of time, work, and discipline required to produce award-winning performances, we develop great camaraderie within the organization. We share hardship, discomfort, fatigue, oppressive heat, chilling cold, long bus rides, disappointment, tears, success, and joy.

Individual Opportunities

East Tennessee School Band and Orchestra Association (ETSBOA) and Tennessee Secondary School Band Directors' Association (TSSBDA) sponsor several events throughout the school year. These give students the opportunity to excel individually on their instrument and to receive recognition for their musical achievements.

A list of opportunities will become available when the respected association releases dates and fees. To be eligible for auditions and/or participation, students must be members in good standing of the Karns High School Band and pay the audition fee. There are always outstanding musicians in the Karns Band, and we strongly encourage widespread participation in these activities.

Student Leaders

The Band Officers are a group of leaders that work with the directors in an advisory capacity. The students will also be called on for special presentations to accept awards, have pictures taken with political representatives, etc., on behalf of the band. The Band Officers include the Band Captain, Brass Captain, Woodwind Captain, Drum Major, Guard Captain, and Drum Captain. To be eligible for an office, candidates must be full participants in the band program (both semesters), exemplary in attitude, loyalty, dedication, and willingness to give their personal time for the betterment of the Karns Band. All section leaders must also have been through the application and interview process.

Section Leader/Guard Captain/Drum Captain

Directors select these leaders on the basis of music and marching ability, service, dedication, loyalty, and leadership qualities. All student leaders will carry out the policies of the band, directors, school, and school administrators to the best of their abilities. Any time you question or disagree with specific instructions from a student leader, please avoid confrontation and discuss the matter with the directors as soon as possible. Student leaders do not handle money or fund-raising merchandise for any other student and cannot be held responsible. Student leaders cannot give you permission to miss a rehearsal or performance, be tardy, or leave early.

Private Lessons

Private lessons are key to developing an outstanding musical organization. Students engaged in private instruction with a professional show rapid improvement in individual musicianship. As these students improve, their excitement towards practicing increases, they continue to improve, and they become a stronger contributor to the overall success of the band.

Private instruction has a great impact on the individual student and on our band program both this year and in the future.

Directors will assist you, if needed, in selecting a private instructor. The key to satisfactory results from private instruction is to start as soon as possible.

Instructional Staff

Anyone on the staff of the Karns Band has been selected due to the skills and qualities they possess and for the benefit they can bring to the program. They should be considered an extension of the directors.

Chaperones

Chaperones are also extensions of the authority of the directors. Without the dedication of our chaperones and other adults that assist the band, we could not travel or perform in the way we do. They work hard and the only payment they receive is our appreciation. Be respectful, polite, cooperative, and remember the words "Please" and "Thank You."

If you disagree with something a chaperone asks you to do, you are not to argue with them. You are to do as you asked and then inform a director as soon as possible. This policy will be strictly enforced. In the extreme unlikely event that a chaperone's instruction would cause you to violate civil law or moral standards, the student should ask to be taken by that chaperone to the director immediately. If a chaperone has to report a student for being uncooperative, disrespectful, or for any other reason, that student will be subject to severe disciplinary action. Chaperones are in the back of the bus and directors in the front of the bus.

Parental Involvement

Parents are an important part of the Karns Band and have a vital role to play. Without the assistance and cooperation of band parents, there would be no chance for the level of success we want the band to reach. There are many things parents can do.

- Attend Karns Band Boosters meeting (Second Monday of every month at 6:30 PM in the Karns High School Band room)
- Volunteer for parent committees. There are many different tasks with which we need your assistance and everyone can find their niche.
- Be supportive of the band program and your child's participation by:
 - Assisting your child to be prepared and punctual for every rehearsal and performance.
 - Notifying directors if your child is to be absent or late for a performance or rehearsal. This should be done in advance unless an absolute emergency.
 - Encouraging your child to practice at home and help them find a quiet place to do so.
 - Showing your interest and support in your child's music study by enthusiastically attending every performance possible.
 - Discussing with directors and staff anything that will help them understand and better serve your child.
 - Arranging for private lessons for your child, if at all possible.
- We welcome visitors to rehearsal but request they remain quiet so as not to disturb the focus of the students of staff. Cheering at appropriate times is welcome!
